

Greenwood Gardens

QUALITY NEIGHBORHOOD PROGRAM

MEETING NOTICE

*As you may know over the last few years, The Maitland Boulevard Off – Ramp project has been a topic of discussion at the Greenwood Garden's Quality Neighborhood Program meetings. It has been included with the improvements in this project because of the effect that it will have on the aesthetics of Hill Passive Park and the traffic noise generated from Maitland Boulevard. Because of these impacts to your area, the City of Maitland would like to take this opportunity to present the **Maitland Boulevard Off – Ramp Project** to your neighborhood.*

*If you have the opportunity to attend, **please join us on January 11, 2003 in the City Council Chambers located at City Hall 1776 Independence Lane, Maitland Florida** for an update on the proposed improvements. If you have any question concerning this meeting or the status of the ongoing Quality Neighborhood Program Process, please call me at (407)539-6213.*

Remember, your QNP is going before City Council at the January 13, 2003 meeting. Please come to the meeting to show City Council your support!
