## New Maitland Boulevard Traffic Pattern And Temporary Closure of WB I-4 Ramp

Motorists on eastbound Maitland Boulevard will soon experience a major traffic pattern shift that will affect how motorists access the westbound Interstate 4 ramp. In

addition, existing eastbound lanes will turn into a work zone and eastbound traffic will shift to new lanes on the south side of the roadway. The new traffic pattern, approximately 1.25 miles in length, will affect motorists traveling between State Road 434 and Interstate 4.

Currently, motorists can choose to access the westbound I-4 ramp after the intersection of Maitland Boulevard and Lake Destiny Road. With this new pattern, motorists will have to make the decision to approach the I-4 ramp at the Keller Road intersection, almost a half mile before the Lake Destiny Road intersection. The on-ramp to westbound I-4 will literally be separated from eastbound traffic lanes - the physical structure of the ramp will begin just after the Lake Destiny Road intersection.

Residents, commuters, and motorists coming from northern Lake Destiny Road hoping to approach the westbound I-4 ramp will just have to make a wider turn within the intersection to get on the ramp.

Approximately 74,000 motorists travel through the Lake Destiny Road intersection each day. Eight traffic patterns are scheduled for the Maitland Boulevard corridor; the new pattern is the second. The I-4 Ultimate team told the City of Maitland in a Facebook Live video that residents and motorists can expect the second traffic pattern to last for "at least a year, maybe longer."

Before the new traffic pattern can be in place, a temporary closure of the westbound I-4 ramp is needed. Since the goal of Maitland Minute is brevity, please click the link below to learn more about the detour, which is expected to be in place from Friday, July 15 (or July 22), 2016, at 8:00 p.m. through Monday, July 18 (or July 25), 2016, at 6:00 a.m., please click on the link below. The closure is dependent upon weather.

## What Can You Do to Help Protect Our Great Lakes?

Residents who receive utility bills from the City can expect to see the August-September 2016 issue of Maitland Express tucked inside their bill as an insert in the month of July. Alternatively, go to [www.itsmymaitland.com](http://www.itsmymaitland.com) click on the "Maitland Express" button the right side of the page to view the August-September 2016 issue as well as past issues. Dubbed "The Lakes Issue," this newsletter spotlights the Stormwater Lakes Management Plan and how residents can help protect Maitland's great lakes.

## City Business

During its July 11 meeting, the City Council approved the establishment of a public art ad hoc committee. I-4 Ultimate's construction partner, SGL Constructors, has dedicated \$1.5 million dollars for public art projects in 13 communities along the I-4 corridor that is under construction. The City is seeking resident applications for the Public Art Ad Hoc Committee. Candidates with a background in fine art, art history, landscape architecture, engineering, planning or some other closely related field are preferred. If you are interested in being considered, please contact the City Clerk at 407-539-6219 or [mwaldrop@itsmymaitland.com](mailto:mwaldrop@itsmymaitland.com) for an application.

MAITLAND?

## The Week Ahead

Sunday, July 17, 2016:

- Visit the Maitland Farmer's Market for produce, BBQ, cookies, and gift items, such as soaps, candles, and plants. The market is from 9:00 a.m. - 2:00 p.m. at Lake Lily Park. Dogs are welcome.

Monday, July 18, 2016:

- A City Council budget workshop for CRA, Stormwater, Water & Sewer, and Solid Waste funds starts at 6:30 p.m.

Thursday, July 21, 2016:

- The Development Review Committee meets at 2:00 p.m. at the City Council Chambers for a review of Maitland Concourse North plans. [http://www.itsmymaitland.com/citywide\\_projects.aspx?a=viewPost&PostID=30623](http://www.itsmymaitland.com/citywide_projects.aspx?a=viewPost&PostID=30623)
