City Council Approves Budget

It's a wrap for budget season and FY 2016 will soon be history as the City Council adopted the FY 2017 budget, the FY 2017-2021 Capital Improvements Program, and a 4.15 operating millage rate. The operating millage rate of 4.15 is unchanged from FY 2016. The voted debt millage rate was set at .3650 mills, resulting in an overall 4.515 millage rate for FY 2017 as compared to 4.54 for FY 2016.

The CIP projects with FY 2017 funding - such as transportation, infrastructure, pavement, stormwater/lakes management, sanitary/sewer, and Parks & Recreation improvements - total \$9.8 million. Additionally, City senior staff recommended the addition of eight positions in FY 2017, including five police officers, a fire inspector, building inspector, and a fleet maintenance mechanic.

The projected cost of personnel, operations, replacement capital, contributions and CRA operating loans for FY 2017 is \$24.3 million. FY 2017 revenue, from 19 sources, is expected to total \$24.0 million. General fund reserves of \$341 thousand will be used to balance the budget. [Read More](#)
