## Save the Date for Season of Light

Maitland's holiday tradition returns to Lake Lily Park on Saturday, December 3, at 5:00 p.m. A surprise guest from the North Pole will participate in the lighting of the holiday tree floating in the center of Lake Lily, as well as greet families. New this year, children will have the opportunity to sled on a specially made snow slide in Lake Lily Park. The festivities will cap off with a fireworks finale at 7:30 p.m.

What better way to get the entire family into the holiday spirit then to enjoy Season of Light?
