Subject: Bike and Walk Around Lake Sybelia, Screen on the Green Returns, Fire-Rescue Event

In late 2016, the City installed new bicycle-pedestrian trail signs. The signs direct bicyclists and pedestrians to local sites in the Downtown Maitland area.

In this issue of Maitland Minute, Trails 2 & 2A grab the limelight. Trails 2 & 2A wind around beautiful Lake Sybelia and connect bicyclists and pedestrians to Sybelia Point Park, Lake Sybelia Elementary, Art & History Museums-Maitland, Quinn Strong Park, the Senior Center, local houses of worship, the Maitland Public Library, and the Audubon Birds of Prey. Trail 2 connects to Trail 17 on Packwood Avenue. Trail 17 that connects City Hall, the future Independence Park, and Maitland City Centre to Lake Lily Park and Lake Avenue. The Maitland Civic Center/Venue on the Lake is a stop on Trail 17 as well as other gathering spots such as Antonio's. Visit the links below to learn more about the food and drink establishments in Downtown Maitland nestled on U.S. 17-92 between Packwood and Lake Avenue along Trail 17.

Screen on the Green Returns on March 4

M A I T L A N D

SCREEN ON THE GREEN

MARCH 4 - 7:00PM

Maitland Middle School Soccer Field
1901 Choctaw Trail

A FREE City of Maitland Parks & Recreation Family Program

PG PARENTAL GUIDANCE SUGGESTED
SOME MATERIAL MAY NOT BE SUITABLE FOR CHILDREN

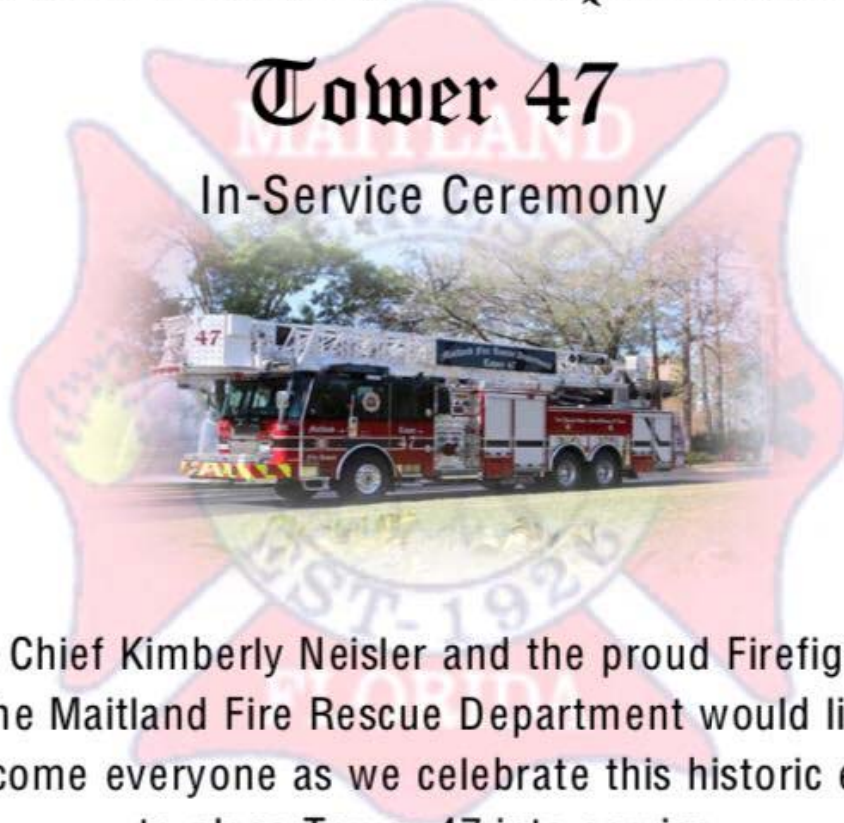

Looking to make plans with your family and friends on Saturday, March 4? The City of Maitland's Park & Recreation Department announces the return of Screen on the Green with the screening of Disney Pixar's "Finding Dory." Dory is looking for her mother and father who may be looking for her. Dory, Marlin, and Nemo swim across the Pacific Ocean to the Marine Life Institute in California for help in Dory's

search. Watch Dory's journey on the big screen on Saturday at the Maitland Middle School Soccer Field at 1901 Choctaw Trail at 7:00 p.m. Bring your chairs and blankets and we will bring you the stars. Food will be available for purchase.

MFRD to Host Ceremony to Place New Rescue Vehicle Into Service

Maitland Fire Rescue Department

Tower 47 In-Service Ceremony

Fire Chief Kimberly Neisler and the proud Firefighters of the Maitland Fire Rescue Department would like to welcome everyone as we celebrate this historic event to place Tower 47 into service.

When: March 6, 2017 at 3pm

Where: Fire Station 47, 1847 Fennel Street

The Maitland Fire-Rescue Department will host a ceremony to place new arrival Tower 47 into service on Monday, March 6, 2017, at 3:00 p.m., at Fire Station 47, 1847 Fennel Street. This event is known within the firefighting community as a "push-in" ceremony.

A "push-in" ceremony is a tradition that stems from the very early days of the fire

service when fire departments used hand-drawn and horse-drawn equipment. Since horses could not easily push equipment into the stations after returning from fire calls, firefighters had to back in the gear by pushing it into the bays. In the modern era, vehicles are ceremoniously pushed into fire station bays upon going into service for the first time to pay homage to the traditions and duties of those early firefighters.

City Update

New Additions to the Open Portal

The Community Development Department has worked hard to scan and upload documents to the open portal. The open portal now includes construction drawings between the years of 1987 and 2016. In addition, permits going as far back as 1981 also are available for review in the open portal. Click on the image to access the documents.

Congratulations to the Volunteers of the Year!

Mayor Dale McDonald recognized Volunteers of the Year Lila McHenry and Todd Deery on Tuesday, February 21, 2017, during a volunteer appreciation event.

McHenry served on the Community Redevelopment Agency Board from 2008 through 2016.

Deery, a lifelong Maitland resident, was recognized for his service on the Parks and Recreation Advisory Board and the Transportation Advisory Board.

City of Maitland, 1776 Independence Lane, Maitland, FL 32751
