The much-anticipated Tuscarora Trail sidewalk is almost here. The construction is underway and the expected completion is before the start of the 2017-2018 school year so Maitland students can walk to Dommerich Elementary and Maitland Middle School via the Temple Trail sidewalk.

On June 8, 2017, the City hosted a groundbreaking for Dommerich Hills residents. It was a hot and humid morning full of smiles and excitement.

Multiple forms of mobility to get around Maitland is a priority in the City's capital improvements schedule. Once completed, the Tuscarora sidewalk will provide a safe transportation option for pedestrians.
