**Subject:** Temporary Suspension of Permit Fees

## Temporary Suspension of Permit Fees

In response to the wide-spread damage caused by Hurricane Irma, the City has temporarily suspended permit fees for certain storm-related repairs such as roofs (up to 400 square feet), demolition of drywall and other items to avoid further structural damage, tree removal, fence repairs, window replacements and temporary banner signs for businesses without power or that sustained loss of their permanent signs. Building permits are still required to be submitted per Building Code; however, fees associated with the permits are suspended until deemed expired by the Maitland Building Official. For questions on what qualifies for fee suspension, please contact the Maitland Building Division at (407) 539-6248 or (407) 539-6150.
