- On March 12 at 2:00 p.m., the Board will conduct a manual audit of the election by counting the ballots cast from one precinct.

City Business

The City Council and the CRA Board met at 6:30 p.m. on January 26 in the City Hall Chambers.

CRA Board Member and Councilman John Lowndes offered two motions -- later approved by the CRA Board -- related to the right-of-way for a possible Independence Lane extension and a possible sale or trade of City-owned 105 E. Horatio Avenue. The two agenda items and their corresponding motions are below.

Purchase Right-of-Way for Independence Lane Extension:

- After discussion, a motion was made by Member Lowndes to direct City staff to continue working with Mr. Beaumont and the parties who control the properties to acquire 40 or 60 ft. of right-of-way from Horatio Avenue to George Avenue; depending on terms & conditions of the proposed contract and including without limitations, additional appraisal to confirm costs of demo and construction of roadway the City may obligate up to \$1.45 million dollars, it being understood the City has not engaged Valbridge Properties or Mr. Beaumont as a broker or agent of the City on this project.

Authorize the Sale of real Property that was Previously Advertised Pursuant to F. S. Chapter 163.380:

- After discussion, a motion was made by Member Lowndes to authorize staff to negotiate the sale or trade of City-owned property located at 105 East Horatio to URC Development for redevelopment purposes subject to the approval of CRA and City Council of the specific redevelopment plan to be proposed at a later date by URC.

The next meeting is scheduled for February 9.
