"The centerpiece of Art31, *Material World: Glass, Rubber and Paper*, explores organic forms in a diverse media created by contemporary artists from both coasts installed inside A&H's Maitland Art Center galleries and throughout the National Historic Landmark campus. This exhibition, presented by Dorman Financial Management, runs March 4 - May 1, 2016, and features works by Dale Chihuly, Jason Hackenwerth, Lorrie Fredette, and Paige Smith."
