Last Chance to Take In a Screen on the Green Movie Before Summer Starts

Didn't get a chance to see Inside Out in theatres last year? Or would you like to watch it again on the big screen? Make plans to bring your blankets and chairs to the Maitland Middle School soccer field (at 1901 Choctaw Trail) on Saturday, May 14, 2016, before 8:15 p.m., for a screening of Inside Out. Inside Out brings to life the emotions of a 11-year-old girl named Riley as she and her family move away from her home state of Minnesota to San Francisco. Joy, Sadness, Fear, Disgust, and Anger take center stage as Riley navigates her new life in the Golden Gate City. The next Screen on the Green movie after May 14's Inside Out will be in the fall.
