LEISURE SERVICES SEEKS FOCUS GROUP PARTICIPANTS FOR A NEEDS ASSESSMENT

MAITLAND, Fla. (March 27, 2015) – The City of Maitland Leisure Services Department invites residents, partner agency representatives, business community representatives, and parks users to participate in a focus group about Maitland's recreational facilities, services, and programs.

Focus group participants will be asked to assess the extent to which Maitland's recreational facilities and services meet the needs of the community. Similarly, participants also will be asked to comment on the community's perception of needs for future facilities, amenities, services, and programs.

The City will develop a master plan for its recreational facilities, programs, and services and it will apply focus group feedback to that plan.

Focus group sessions will take place at various times in early April. A master plan public meeting is scheduled on Wednesday, April 8, 2015, from 6:00 -7:30 p.m., at the Maitland Community Park.

Green Play, LLC, the consultant assisting in the needs assessment, will conduct the focus group sessions. For more information or to sign up for a focus group session, contact Leisure Services at 407- 539-6247.
