EOC Deactivated

The City of Maitland is drawing down its Hurricane Matthew emergency operation and response activities. The City was extremely fortunate that there was no loss of life or significant property damage. The City staff and personnel worked extremely hard to ensure the safety and security of the citizens, businesses, and visitors during this chaotic time.

The EOC phone number will be deactivated at 5:00 p.m. If citizens have any hurricane related questions or concerns, please call 311. For emergencies call 911.

Duke Energy is aware of the power outages affecting the City. They are actively working throughout Orange County to re-establish power. If you are without power and are operating a generator, please ensure that it is kept outside while being used.

Orange County Government lifted their curfew at 2:00 p.m. today, Friday, October 7, 2016.

Citizens should exercise extreme caution while traveling throughout the City. Be aware of downed power lines, downed trees, and any other hazards. Residents should be aware of the possibility that traffic lights may be down. Drive with increased caution.

Normal yard trash removal will resume on Wednesday, October 12, 2016. Any yard trash exceeding typical allowances will be the responsibility of the contractor or homeowner. Requirements for yard trash pick-up can be found at https://www.itsmymaitland.com/waste_faq.aspx

City of Maitland, 1776 Independence Lane, Maitland, FL 32751
