CONGRATULATIONS TO THE VOLUNTEERS OF THE YEAR:

Two individuals were recognized for their service on the City's resident boards. Mr. David S. O'Connor received the 2014 Volunteer of the Year Award for his 15-year service on the Police Officers & Firefighters Pension Trust Fund Board. Mr. O'Connor recently earned his Certified Public Pension Trustee certification, the highest distinction offered by the Florida Public Pension Trustees Association. Mr. Michael Dabby, the

second recipient, was recognized for his work on the Planning & Zoning Commission and Transportation Advisory Board. He also has served on the Board of Zoning Adjustment, Maitland Ad Hoc Off-Street Parking Committee, and the Lake Avenue Widening Ad Hoc Committee.

If you are interested in serving on any of the resident boards, please visit www.itsmymaitland.com or contact the City Clerk's office at (407) 539-6219.

STAY CONNECTED: Stay up-to-date on Maitland news, community events, meeting agendas, program schedules, traffic advisories, and more between issues of Maitland Express.

- You can find the City on the following social-media platforms: Facebook, Twitter, and Nextdoor.

MOVIE SERIES HAS A NEW NAME AND A NEW VENUE: The series of family films, now called Screen on the Green, will feature Walt Disney Animation Studios' *Big Hero 6* on March 7 at 7:00 p.m. Bring your chairs and blankets to our new location at the **Maitland Middle School Soccer Field** (now located at 1901 Choctaw Trail) and we will bring you the stars and free popcorn.

Celebrate National Public Works Week

"Community Begins Here" is the theme for the 55th National Public Works Week, celebrated the third week of May by the American Public Works Association. The City of Maitland recognizes the 60 employees in the Public Works Department who operate the City's public works programs and maintain its infrastructure.

The Public Works staff represents a quarter of the City's workforce within nine divisions: Administration, Water Production/Distribution, Wastewater Collection, Stormwater/Lakes Management, Streets and Facilities Maintenance, Fleet Maintenance, Grounds Maintenance, Arbor Care, and City Engineering Services. Public Works provides Maitland residents with drinking, irrigation, wastewater, and fire-protection water services. Staff is responsible for upkeep of lakes, storm drains, and wastewa-

ter-collection systems within Maitland proper. It maintains more than 110 sites including City buildings, grounds, rights-of-way, ballfields, and parks. Similarly, the staff repairs and maintains vehicles and equipment, City-owned streets, and City-owned properties. The Public Works Department also provides staff liaisons for two resident boards, the Transportation Advisory Board and the Lakes Advisory Board.

The American Public Works Association describes this year's "Community Begins Here" theme: "There would be no community without the quality of life Public Works provides. There would be no community to police and protect, no public to lead or represent. This year's theme speaks to the essential nature of Public Works services in support of everyday quality of life."

PUBLIC WORKS

Pipeline

The Maitland Public Works Department continues its work for all Maitland residents. Here you will find a list of completed projects and projects in the pipeline.

COMPLETED:

-  Keller Ballfield Lighting Replacement
-  Lift Station #13 Valve Vault Reconstruction
-  Ground Water Storage Tank #6 and #6A Rehabilitation

IN THE PIPELINE:

-  Pedestrian and Bicycle Access to Maitland's SunRail Station. Engineering plans have been submitted to the Florida Department of Transportation for permitting.
-  Old Horatio Covered Bridge Roof Replacement. Contract for construction was awarded on February 23.
-  Maitland Community Park Water Transmission Upgrade. Plans are being prepared for construction of a new water transmission main from Mayo Avenue to Arapaho Trail.
-  Lift Station #4 Diversion Project. Engineering is underway for construction of a sanitary sewer force main under Horatio Avenue to provide for increased capacity. The work will be performed in a way to minimize disruption on this crucial east-west thoroughfare.
