Re: City of Maitland Police and Fire Pension Trust Fund;
10/1/2014 and 10/1/2012 Actuarial Valuations

Dear Mr. O'Connor:

This is to notify you that we have reviewed the above referenced actuarial reports for compliance with Part VII of Chapter 112, F.S. and Chapter 60T, F.A.C. Based upon the results of our review of these reports, we have determined the **Plan** to be **state accepted**. By this letter, **all reports and actuarial impact statements effective prior to the above valuation date and received** by the Division of Retirement may likewise be considered to be **state accepted**.

Our review relied upon the actuarial costs and asset amounts as determined by the Plan actuary in the above referenced actuarial reports. Although we reviewed the reports for compliance, consistency and reasonableness, we did not audit the asset or employee data information for accuracy. Accordingly, we express no opinion on the reasonableness of the estimates of the financial status of the Plan. An audit may or may not uncover material issues in the actuarial work performed.

Sincerely,

Joseph M. Edmonds, FSA, EA, FCA
Actuary
